

Jira Board Overview

The Jira board serves as a visual representation of the agile workflow for the “Digital Canteen Optimization”. It includes epics, user stories, acceptance criteria, and sprints, providing an organized framework to track progress, manage tasks, and ensure project transparency.

1.0 Epics and User Stories

The project is divided into epics to group related features and user stories under each epic.

Overview of Epics and User stories

- Epic: Employee Functions

The screenshot shows the Jira board for the 'Employee functions' epic (DCO-1). The left sidebar contains a 'PLANNING' section with options: DCO board Board, Timeline, Backlog, Active sprints, Calendar, Reports, Summary (NEW), and List. The main content area has a header 'Employee functions' with '+ Add' and '@ Apps' buttons. Below is a 'Description' field with the placeholder 'Add a description...'. A progress bar indicates '50% Done'. The 'Child work items' section lists three items: DCO-5 Menu Viewing (DONE), DCO-6 Pre-orders Meals (DONE), and DCO-7 Healthy Food Options (IN PROGRESS). Each item has a status icon and a dropdown menu.

- Canteen Staff Member Functions

The screenshot shows the Jira board for the 'Canteen staff member functions' epic (DCO-2). The left sidebar contains a 'PLANNING' section with options: DCO board Board, Timeline, Backlog, Active sprints, Calendar, Reports, Summary (NEW), and List. The main content area has a header 'Canteen staff member functions' with '+ Add' and '@ Apps' buttons. Below is a 'Description' field with the placeholder 'Add a description...'. A progress bar indicates '33% Done'. The 'Child work items' section lists three items: DCO-13 Real-time orders (DONE), DCO-14 Streamlined System (IN PROGRESS), and DCO-15 Daily Inventory (TO DO). Each item has a status icon and a dropdown menu.
